

lowered floor

MAXI LIFE

the extended solution

accessible ramp

For ease of wheelchair access, our vehicles are all fitted with the maximum 10-degree low angle wheelchair loading ramp with 50mm edge upturns that complies with the safe tilt and working angle as recommended by the wheelchair manufacturers, as well as the Medical Health and Regulatory Authority.

All Automotive Group's vehicles are designed, manufactured and produced from MI passenger vehicles at our wholly owned facility here in the UK. We provide wheelchair accessible vehicles with varying configurations.

Low ramp angle for safety

Configuration allows for dignified family friendly travel

Accommodate 5 in original detachable seating + large wheelchair
